READY. SET. PAUSE.

READY LOGISTICS + DEALSHIELD FOR THE ULTIMATE PEACE OF MIND

When you have the ultimate protection of the DealShield 360 guarantee and choose Ready Logistics for full-service transportation, time spent in transit doesn't count toward the 21 days you have to return your vehicle. The clock on your 21-day coverage is paused the day that Ready Logistics picks up your vehicle and resumes the day it is delivered.
