

# SUPERMAN HAD X-RAY VISION. YOU HAVE THE POWER OF HIGH-RES IMAGING.

If a picture is worth a thousand words,  
how much is a high-res image worth?

“The great thing about digital is that it can actually give dealers even more information—more efficiently—than they can get in a physical setting.

**BRAD BURNS - AVP, VEHICLE INFORMATION AT MANHEIM**

With high-res imaging available on Manheim.com, OVE and ManheimExpress, we're giving the confidence you'll have in a car's condition a swift kick in the bumper.

- Zoom in close and pan around to see damage with more clarity
- Clearly see the severity, size and location of documented and undocumented visible damages
- Diminish post-purchase concerns
- Plus, you can cover your purchase with Digital Buyer Protection
