

MARKETPLACE VEHICLE INFORMATION

# ENABLING CONFIDENT DIGITAL DECISION-MAKING

MANHEIM IS TAKING SWIFT, BOLD STEPS CENTERED AROUND YOU.

**WE'RE INVESTING** to update vehicle information technology

## AVAILABLE NOW

- More images – up to 18 photos depending on vehicle
- Damage details (available on Insight Condition Reports)
- Quadrupling the number of Condition Report audits
- Increased training hours for Condition Report writers and inspectors to help ensure accuracy and consistency
- Monitoring arbitration claims that are reviewed with every location
- Increased number of photographers

## CONTINUED ROLLOUTS

- Higher resolution images
- Undercarriage imaging
- More mechanical & safety information
- More consistent Condition Reports
- CR Advisory Council – ongoing, real-time listening to group of sellers and buyers to guide our areas of focus

OUR MISSION IS YOURS.

MARKETPLACE VEHICLE INFORMATION

# ENABLING CONFIDENT DIGITAL DECISION-MAKING

## CONDITION REPORTS THAT MAKE A DIFFERENCE

Formatted to make them  
easy to understand

Uses AutoGrade™ Service – a living  
mechanism that's updated frequently  
and used across the entire wholesale  
industry for consistency

## VEHICLE IMAGING THAT LEAVES NOTHING TO THE IMAGINATION

- Features the images most important to buyers, including every angle of the exterior
- Helps increase buyer confidence and perceived value by providing a greater variety of high-quality images
- Includes 15 high-res images, plus 3 optional settings that vary by vehicle
- Features pan and zoom functionality for greater visibility

OUR MISSION IS YOURS.
